

Fabric Templates

To Use: Print this document on cardstock (recommended) or heavyweight paper. Trim out the shapes below and use these templates as guides for cutting the fleece fabric. For step-by-step instructions and videos showing how to make a 'no-sew' blanket, visit www.blankethearts.org.

4" x 4" template

To be used to trim the four corners off the fleece

1" x 4" template

To be used to cut the fleece strips
